Dear Parents/ Carers

During all my years in education, I can honestly say that this has been the most extraordinary time. Who would have thought at the beginning of term we would all be in a lockdown situation, with all our schools closed. However, considering the circumstances, it has brought our community together and I would like to say a special thank you to all my staff who have had to respond very quickly to the changes that have taken place.

Staff have been working hard on making packs of learning activities for your children, which has included access to online learning for some pupils and suggestions to keep your child involved in their education so that they can continue their learning.

If you wish to contact the school, please use the numbers and email addresses. The main reception lines may not always be open, but please leave a message and someone will get back to you as soon as possible.

These are worrying times and every family situation is uniquely different. If you feel you require support for Well-being over the next few weeks, there are some useful websites you can go to, to seek professional support such as:

I hope you can make the most of the Easter break and we will see what next term brings.

I hope that you and your family stay healthy and safe.

Yours faithfully,

**Antony Clements**
